

Jayden Currence

Game Producer

jaydencurrence@gmail.com | (321) 947-6261 | Orlando, FL | Portfolio: nerdforeternity.github.io

EDUCATION

University of Central Florida

B.A., Digital Media

- Dean's List - Spring 2023, 2025

May, 2026

Orlando, FL

WORK EXPERIENCE

Mystic Die LLC

Lead Engineer

Jun. 2026 – Present

Orlando, FL

- Spearheading code reviews and architecture planning sessions, establishing engineering best practices and ensuring technical milestones aligned with the overall production schedule.
- Architecting and programming core gameplay systems and mechanics using C++ and Ink, optimizing logic to run efficiently within strict memory and performance constraints.

Icebreak Studios

Game Producer

Sep. 2025 – Jul. 2026

Orlando, FL

- Authored comprehensive production and audio strategy documentation, defining the technical requirements and creative goals to ensure cross-departmental alignment.
- Orchestrated asset pipelines and project milestones utilizing Asana for a 19-person team, managing the transition from conceptual planning to integrated development to maintain project momentum.
- Coordinated storefront preparations for commercial release on Steam.

Barista Boo's

UI Designer

Aug. 2025 – Dec. 2025

Orlando, FL

- Designed and implemented a cohesive visual interface that balanced thematic "spooky-cute" aesthetics with functional clarity for complex cafe-management systems.
- Developed interactive wireframes and UI assets, streamlining the player experience through intuitive navigation and clear feedback for high-speed gameplay loops.
